

List of types, pistols, lances, nozzles.

Type	Description	Technical data	Material	Product Code
1. Bis 310 bar				
ST-2300	High pressure pistol	310 bar, 150°C 3/8"IG, 1/4" IG	Brass	E10700116
Lances and accessories, fitting the above high pressure pistol				
	Lance with insulating handle, straight	1000 mm, 250 bar 1/4"aa	steel	E10700117
	Lance with insulating handle, straight	1000 mm, 250 bar 1/4"aa	Stainless steel	E10400698
	Lance with insulating handle, straight	342 mm, 250 bar 1/4" aa	steel	E10700181
	Nozzle protection	1/4" ii	brass / synthetic	E10700118
	Fan nozzle MEG	25/20 1/4" AG	Stainless steel	E10400591
2. Up to 60 bar				
ST-3100	Pistol for plugging in of spray and foam lances, with coupling and cut-off-delay	60 bar, 150° C 100 Litres./min	Stainless steel	203100810
	Rinsing lance with plug-in nipple, without nozzle	800 mm	Stainless steel	203100605
	Fan nozzle	20/25	Stainless	61950
	Foam lance with plug-in nipple and foam	300 mm	Stainless	203100630
3. Upt to 24 bar				
AKMN001-B	Spray pistol with adjustable jet At 5 bar – 30 l/min	24 bar, 95°C, 1/2" IG	Brass	E10700114
AKRN001-B	Spray pistol with adjustable jet	24 bar, 95°C, 1/2" IG	Stainless steel	E1070011401
AKMB001-BL	Spray pistol with adjustable jet At 5 bar – 50 l/min	24 bar, 95°C, 1/2" IG	Brass	E10700114-3
AKCL001-B	Pistol for plugging in of rinsing and foam lances, with coupling	24 bar, 95°C, 1/2" IG	Brass	E10700114-6
AKRP001-BL-EX	Pistol for EX- areas	24 bar, 60°C 1/2" IG	Stainless steel	E1070011405
Accessories for 24 bar- Pistol				
SWM09-3/4	Rotating joint, connection between pistol and hose	1/2"AG – 3/4" IG	Brass	E10700107-22
Lances for AKCL001-B				
LANCU05-R-NA	Insulated lance with plug and fan nozzle	500 mm	Stainless steel	E10700114-20
LANCU08-R-NA	Insulated lance with plug and fan nozzle	800 mm	Stainless steel	E10700114-23
LANCU20-R-NA	Insulated lance with plug and fan nozzle	2000 mm	Stainless steel	E10700114-25
LANCM50-N	Foam lance with plug and foam nozzle	500 mm	Stainless steel	E10700114-24
4. Up to 4 bar				
AGIL572	Light weight spray pistol with adjustable jet with coupler plug	4 bar, 40°C,	synthetic	E10700115
Tube cleaning nozzles				
Schwall- regulating nozzle ST-51,		0 - 250 bar adjustable 1/4" IG	brass / synthetic	E10400732
Schwall- regulating nozzle ST-51, with front bore hole		Outer.- Ø 24, 3/8" IG	Stainless steel	E10710184
Schwall- regulating nozzle ST-51, with front bore hole		Outer.- Ø 19, 1/4" IG	Stainless steel	E10710184-1
Schwall- regulating nozzle ST-51, with front bore hole		Outer.- Ø 15, 1/8" IG	Stainless steel	E10710184-2
Hoses:				
Hoses are available with all nominal widths and ranges of pressure, fittings, mountings etc on request.
